

Our 2022 - 2025 Gender Equality Action Plan

At RMIT, we embrace the diversity of our staff and students, and we are determined to ensure our people are not held back by prejudice of any type

Our 2022-2025 Gender Equality Action Plan outlines six focus areas that we will implement over the next four years, as we continue our path to gender equality at RMIT.

Our 6 Focus Areas

Intersectional Gender Inequality

supporting and understanding intersectional impacts on gender equality

Career fulfilment

addressing identified barriers to opportunities and progressing careers

Building the pipeline

inspiring and attracting future talent

Engaging moments of transition

in-time and flexible support mechanisms

Strengthening foundations and leading local action

futureproofing through good governance

Safety, wellness, inclusion, and respect

an inclusive, respectful and compassionate workplace
