

# WOMEN<sup>G</sup>

*Advancing Women in Infrastructure Engineering*

---

**Time and Date:** July 19<sup>th</sup> 2023, from 9:30am - 12:30pm

**Location:** Megaflex 3, Building 8, RMIT University (City Campus) - Entrance from Swanston Street

RMIT's Final workshop invites a panel of industry members to present possible career pathways from women, with an emphasis on how they fueled their interests in infrastructure engineering at a young age and present their journey towards becoming a senior executive member of the transport engineering industry.

Following the workshop, a networking lunch will strengthen the bonds between candidates, peers, and industry members, to provide the women of WOMENG further information on possible career paths and make the connections to do so.

## **Agenda**

|         |   |
